Preso atto delle nuove registrazioni in corso, trasmesse dal Ministero della sanità per la determinazione del primo prezzo al pubblico;

Ritenuto necessario procedere all'aggiornamento dei prezzi nel quadro delle compatibilità generali determinate dalla difficile situazione economica del Paese e nei limiti programmatici stabiliti dal Governo per l'anno 1985;

Visto il telex 19 dicembre 1984 del Ministero della sanità secondo cui la disposizione adottata in precedenza dal C.I.P. sull'adeguamento dei prezzi delle scorte dei medicinali risponde all'esigenza di non determinare difficoltà di reperimento dei farmaci sul mercato;

Sentita la Commissione centrale prezzi (art. 2 del decreto legislativo luogotenenziale 19 ottobre 1944, n. 347) in data 20 dicembre 1984;

Delibera:

4) Di procedere all'aggiornamento dei prezzi delle specialità medicinali elencate nell'allegato A nella misura media globale pari all'8% mediante:

1) l'applicazione graduale del nuovo metodo prevista dalla delibera C.I.P.E. dell'11 ottobre 1984;

2) aggiornamento del costo della manodopera in L. 18.100/h;

3) aumento del riconoscimento del costo dei materiali di confezionamento limitato al 10%, in attesa del completamento delle indagini necessarie per il puntuale aggiornamento dei costi dei singoli materiali.

B) Entro il mese di luglio 1985, con il progredire delle rilevazioni necessarie per la graduale applicazione del nuovo metodo, verrà effettuata una verifica sulla dinamica dei vari fattori di costo, ai fini di un eventuale ulteriore adeguamento dei prezzi nel rispetto dei vincoli imposti dall'obiettivo di contenimento del tasso di inflazione nei limiti indicati dal Governo.

C) A decorrere dal giorno successivo a quello della pubblicazione del seguente provvedimento nella *Gazzetta Ufficiale* i prezzi di vendita al pubblico delle specialità medicinali risultanti dall'etichetta di cui all'art. 125 del regio decreto 27 luglio 1984, n. 1265 sono sostituiti per le specialità medicinali comprese nell'allegato A, con quelli indicati nell'allegato stesso di ciascuna specialità. Tali prezzi fissi ed unici su tutto il territorio nazionale sono comprensivi di IVA.

D) Considerati i tempi tecnici minimi necessari per il ritiro ed il riconfezionamento delle giacenze esistenti presso gli industriali, i grossisti ed i farmacisti e ritenuta l'esigenza assoluta di assicurare l'assistenza farmaceutica senza soluzione di continuità, evitando così ogni possibile pregiudizio della salute della popolazione, i produttori, i grossisti e i farmacisti stessi aggiornano il prezzo delle confezioni mediante la sovrastampa indelebile o l'adozione di un bollino trasparente autoadesivo recante il prezzo di vendita al pubblico stabilito dal presente provvedimento e la seguente indicazione «C.I.P. n. 53/1984» da sovrapporre alla fustella o etichetta originale che consenta di identificare chiaramente questi ultimi con particolare riguardo al nome del prodotto.

Il bollino in questione, una volta applicato, dovrà non essere asportabile se non deteriorando la fustella o etichetta originale.

E) Ai fini del provvedimento di registrazione da parte del competente Ministero della sanità sono fissati i prezzi al pubblico, IVA compresa, delle specialità medicinali di cui agli allegati B e C con le stesse modalità di cui al precedente punto A).

Ciascuno dei prezzi deliberati sarà efficace solo dopo la registrazione quale specialità medicinale, da parte del competente Ministero della sanità, del prodotto cui il prezzo stesso si riferisce.

Conseguentemente i prezzi in questione saranno pubblicati nella *Gazzetta Ufficiale* contestualmente o in concomitanza con l'emanazione dei decreti di registrazione quali specialità medicinali dei rispettivi prodotti a mezzo elenco progressivo nei quali sarà riportata la data del presente provvedimento ed il numero progressivo dell'elenco.

F) I margini di distribuzione da applicare sui prezzi delle specialità medicinali di cui agli allegati A, B, C sono confermati nelle seguenti misure:

grossisti: 8% sul prezzo al netto dell'IVA;

farmacisti: 25% sul prezzo al pubblico al netto dell'IVA.

Roma, addì 21 dicembre 1984

Il Ministro-Presidente delegato:
ALTISSIMO
